GOVVI

## In Gratitude: GOVVI Launch Announcement

*“A fuel saving pill on the Move.”*

### Why GOVVI?

As you know, I am an entrepreneur. In my corporate life and my side hustles, I have been evaluating and launching products/companies for over 30 years. The truth is, I am good at.

I don't promote or invest in everything that is shown to me. When I do- well abundance follows. A new opportunity was shared with me. A startup company with an epa certified product whose technology has won Nobel peace prize.

The best part of this *product* is that it literally puts money in *your* pocket. ***It helps people.***

The best part of the *company*- it gives you an opportunity to help yourself if you are willing to work at it. The work is simply sharing your link.

I have friends and family for that matter who say things like- you are always trying to sell me something. NO, I am sharing my excitement and my experience because I love you and think everyone should be able to experience with me. *There is a difference.*

I live an abundant life. I live an abundant life because I sacrifice and work for my dreams.

I live an abundant live because I choose too.

I love to gather people and share my joys. It is what fuels me. We are in the midst of a world crisis. EVERYTHING is more expensive and we have not recovered from the covid game.

Here is a product and an opportunity if you so choose it that can help you to SAVE money every time you fill your gas tank. Are you ready to invest \$25 to increase your miles to the gallon by 20% minimum?

Testimonials are rolling in. We just received our product and are in the midst of using our first tablet. We can't wait to share our experience with you. WHY wait, order yours so that you can save to.

You can find all of the science and more information here: <https://www.govvi.com/go/calmingwaters>

Please reach out with questions! We appreciate you. We love you. We want to GOVVI with you!

# THE NEW MPG IS HERE

The secret to make fuel last longer and pay less at the gas pump.

## Get More Miles Per Gallon

Govvi members have reported as much as 5%, 10%, 15% and in some cases 20% more miles per gallon.

## Boost Power and Performance

One tablet treats 15-20 gallons and is safe for all vehicles including diesel engines.

## Reduce Emissions and Exhaust

Our formula uses technology developed by Nobel Prize winning chemists and is EPA registered.
